Professional Development Workshops in School Counseling

Since 2002, the Center for American Education (CAE) and the State University of New York at Buffalo (SUNY Buffalo) has been collaborating to offer the Master of Education (Ed.M) in School Counseling program in Singapore.

This collaboration has aided the growth of school counseling in Singapore and at this point, it seems appropriate to introduce more professional development opportunities to allow practitioners to hone their skills and learn about current trends.

CAE and SUNY Buffalo is now proud to offer a series of workshops conducted by renowned experts in the field of school counseling. The following table shows the details of the upcoming workshops. Information about the speakers can also be found at www.cae.edu.sg.
