Clinical Supervision

In accordance with the Singapore Association for Counsellors ("SAC") Recognition of Counsellor Training

Subject to prevailing Supervisor's rate
(To be paid directly to the supervisor engaged by the student)

Courses requirements regarding Practicum (19 Oct 2013 para. 1.6a. & 1.6b.), please note that every GDICP student must complete "at least one hour of supervision for every ten hours of face-to-face counselling." Supervision is to be provided by a SAC registered supervisor with at least five years of experience and with 1,000 hours of clinical counselling provided.

Thus, all GDICP students will need to bear the additional cost of contracting a SAC registered supervisor if they wish to eventually be qualified as a registered counsellor with SAC. **This cost is paid directly to the supervisor and NOT included as part of the fees paid to CAE.**

Currently, the additional cost of engaging such a supervisor is around \$100.00 per hour. Students are advised to directly engage and pay the supervisor for all outsourced supervision. CAE may be able to assist with helping students find qualified SAC registered counsellors.

3. Miscellaneous Fees refer to any non-compulsory fees which the students pay only when applicable. Such fees are normally collected by the PEI when the need arises.

4. Miscellaneous Fees are non-refundable.
